Hi all—

We have a fire drill as Mike knows. Glencore/CFAC have requested a DRA-senior Superfund program mgmt meeting next Wednesday, February 3rd. The deadline for RA/DRA briefing papers for next week's meetings is TODAY at 12 noon. Mike and I have started working on the briefing paper (Suzanne is providing the paper we used last spring which provides site description etc. for context to the RA's office). This briefing paper is narrowly focused on NPL listing v. SA approach. Mike and I will be working on the paper this afternoon after lunch, and then running it by Victor, Joe and Andrea. Please let me know if you have time to weigh in. We need to get the paper to Suzanne by COB today.

Thanks!

Mark
